Recommend 2019-2030 TFP for adoption by City Council. 	

Public Engagement—Survey

Questions ask about perceptions of current conditions, priorities for funding:

- ❖ Opinion of conditions citywide regarding the following:
 - Traffic congestion
 - Sidewalks
 - Conditions for bicycling
 - *Residents are also asked for their opinion of conditions in their neighborhood.*
- ❖ Relative priority for use of Transportation funding:
 - Construct sidewalks on arterials
 - Construct neighborhood sidewalks
 - Complete cross-town bike routes
 - Improve speed & reliability of transit
 - Add road capacity to serve growth
 - Add road capacity to relieve peak period congestion
 - Maintain existing facilities
- ❖ Question about whether changes in infrastructure or transit service would impact the respondent's choice of transportation modes.

Public Engagement—Project map

Online map interface

Replicates input opportunity offered at Open House events

2016-2027 Transportation Facilities Plan Candidate Projects

Esri World Geocoder

Project: TFP-255
[Comment on Project](#)

Name: Newport Wy SE/Somerset Blvd to 150th Ave SE

Description: This project will conduct a preliminary design study and community involvement process to refine the scope and costs of the ultimate improvements.
