

NEIGHBORHOOD LEVY PROJECT

TRANSPORTATION

May 2018

108th Avenue NE: Main Street to NE 12th Street Downtown Demonstration Bikeway **CONSTRUCTION AHEAD**

Project Overview: We will be installing the first bikeway on 108th Avenue NE between Main Street and NE 12th Street to complete a three-quarter-mile gap in the bike route along this roadway between the I-90 Trail and NE 24th Street. When the project is complete, it will provide a safer and more comfortable route for people riding to the north and south of downtown.

Project Description: The goal of this project is to provide bicyclists with a designated space to ride along 108th Avenue NE in downtown Bellevue. Here are the main demonstration bikeway improvements:

- Add separated bike lanes, which include painted buffer areas, temporary curb and post dividers, and planter boxes between the bike lane and auto travel lane;
- Add striped bike lanes in narrow road segments, such as intersection approaches at NE 4th, 6th and 10th Streets;
- Add bright green pavement markings to highlight areas where bikes and cars mix together, including turn lanes, high-traffic driveways and bus stops;
- Add shared lane marking (called “Sharrows”) at two existing median islands where the road is too narrow to install bike lanes.

These improvements are part of the Bicycle Rapid Implementation Program (BRIP), which was developed in 2016 to identify low-cost investments that would help create a complete network of safety bicycle facilities citywide.

Demonstration Bike Lanes: Using temporary and low-cost treatments, a demonstration project provides a real-world opportunity to evaluate how the latest bikeway design concepts function in Bellevue. We will monitor and adjust the performance of the bike lanes, as needed.

Construction Schedule & Impacts: Construction is expected to start June 4th and will continue until the beginning of July. Work hours will be 7 p.m. to 4 a.m., Sunday through Thursday. Because the work will take place during the evening hours, we do not expect major construction impacts or traffic delay.

Project Budget: The project is funded by the Neighborhood Safety, Connectivity and Congestion Levy, which was approved by voters in November 2016. For more information about the levy visit: BellevueWA.gov/TransportationLevy.

Questions & Comments: If you have any questions, please contact Franz Loewenherz, principal transportation planner, at 425-452-4077 or Floewenherz@bellevuewa.gov.

Construction Information Tools: The best way to avoid construction delay is to stay informed by using the following information tools:

- Electronic Message boards: Provides dates or times of upcoming lane or road closures
- Real-time Traffic Map & Cameras: www.bellevuewa.gov/trafficmap
- Traffic Advisories webpage: www.bellevuewa.gov/traffic_advisories.htm
- Follow the Transportation Department on Twitter: @BvueTrans
- Capital Project (Interactive) Map: www.bellevuewa.gov/capital-projects-map.htm
- Sign up for email alerts on project webpages: www.bellevuewa.gov/transportation.htm

Title VI Notice to the Public: *It is the City of Bellevue's policy to assure that no person shall on the grounds of race, color, national origin or sex, as provided by Title VI of the Civil Rights Act of 1964, be excluded from participating in, be denied the benefits of, or be otherwise discriminated against under any of its federally funded programs and activities. Any person who believes his/her Title VI protection has been violated may file a complaint with the Title VI Coordinator. For Title VI complaint forms and advice, please contact the Title VI Coordinator at 425-452-4496.*
